BUILT-IN ASSISTANCE FOR EXPERT SEWING AND EMBROIDERY

Fabulous sewing, remarkable embroidery!

I'm Tara and I adore sewing, but adding embroidery to my repertoire has pushed my creativity to a completely new level. It's magical the way sewing plus embroidery turns something ordinary into something extraordinary.

Update your wardrobe in no time! All of the 75 embroideries included with the DESIGNER TOPAZ™ 25 machine let you get creative right away!

HUSQVARNA VIKING® offers the largest number of optional embroidery hoops*. Discover the Metal Hoop with its easy magnetic hooping - ideal for ready-to-wear garments and delicate fabric!

BEST IN CLASS

GENEROUS CAPABILITY

- The large embroidery area allows you to stitch spectacular designs with just one hooping.
- The generous sewing surface gives you more room for large projects.
- Large embroideries are fast and easy to sew thanks to the high embroidery speed.

JOYFUL CONVENIENCE

- Our unique EXCLUSIVE SENSOR SYSTEM™ technology senses your fabric thickness for perfect, even feeding.
- The Automatic Thread Cutter instantly cuts your top and bobbin thread when touched – time-saving and convenient.
- The Exclusive SEWING ADVISOR® feature optimizes your sewing by selecting the best settings and giving you on-screen advice.

SPARKLING INNOVATION

- Top and Bobbin Thread Sensor notifies you when the top thread breaks or bobbin thread is running low.
- Internet updates ensure that your DESIGNER TOPAZ™ 25 sewing and embroidery machine is always up-to-date.

Designer Topaz™ 25

Designed and Engineered in Sweden

EXCLUSIVE SENSOR SYSTEM™ TECHNOLOGY

– Adjusts to your fabric thickness for perfect, even feed.

With a tap on the foot control or the touch of a button; the Sensor Foot Pressure on your DESIGNER TOPAZ™ 25 sewing machine automatically senses the fabric thickness - resulting in a perfect even feed of any fabric and/or batting. The Sensor Foot Pivot senses the fabric thickness for instant pivoting when the needle is in the down position.

THREAD CUTTER AND THREAD SENSORS

– The ultimate convenience, right when you need it!

The HUSQVARNA VIKING® DESIGNER TOPAZ™ 25 sewing and embroidery machine alerts you when the top or bobbin thread is running low. And with the Automatic Thread Cutter there's no hassle with long running ends – so convenient when sewing on large projects!

LARGEST SEWING SURFACE AND EMBROIDERY AREA*

– Ideal for big ideas!

The HUSQVARNA VIKING® DESIGNER TOPAZ™ 25 sewing and embroidery machine features a generous 8" (200mm) sewing area, which means more room for your creativity. The embroidery area measures up to 9.6" x 6" (240x150mm) and gives lots of options on embroideries.

* As compared to leading brands in this price range.
